Dear Friends,

We are writing to invite you to participate in the 24th annual Glen Urquhart School Wild Boar Golf Tournament on Monday, September 16, 2024. The Wild Boar Tournament has become an established GUS tradition, and we look forward to another great event this fall.

The 2024 Wild Boar Golf Tournament will return to Essex County Club, one of the top ranked courses by Golf Digest, GOLF Magazine, and Golfweek. In fact, Golf Magazine includes Essex among the Top 150 courses in the World. Both a best ball and a scramble format will be offered to accommodate all skill levels, and a number of on-course activities and contests are also planned. Food will be provided before and after your round, giving you ample time and opportunity to interact with your playing partners and other participants. It promises to be a fun event!

Glen Urquhart School has proven to be resilient throughout its history, and especially through the trials presented by Covid over the last couple of years. We are buoyed by the tireless work of our faculty and staff, the unwavering support of our parents, and the commitment of the wider community. Your participation in this event will help GUS continue to hold strong as we move towards our future.

We hope you will choose to play in the Wild Boar Golf Tournament, and invite friends from outside the school community to join you in a foursome. This brochure outlines the ways in which you can become a sponsor or organize a foursome and sign up to participate. If you are unable to join us on September 16th, we would be grateful to have you show your support for Glen Urquhart School by becoming a non-playing sponsor. Whether you are able to play or even just cheer us on, we look forward to your participation.

Trust and go forward,
